

**W**ELCOME, NEW BOARD MEMBERS! The Board has recently made appointments to fill vacancies on the Board of Directors, pending completion of the election process.

Randy Mummery has been a JSHOA resident for over 4 years. He works as an aircraft mechanic at Southern California Aviation and is a retired Master Sergeant from the USAF where he received his aircraft training. *"I want the best community possible,"* says Randy.

Mike Casady has lived in the Victor Valley for over 20 years, and in JSHOA over two years. He is a project manager at a local civil engineering firm, Merrell-Johnson Engineering. Mike *"hopes that our community can be a friendly place where everyone feels they have great neighbors."*

Rob Varvel has been a resident of JSHOA since 1989. He has been a school counselor for 27 years and has served the Apple Valley School District since 1989. Rob serves on two others boards: San Bernardino County Probation Youth Accountability Board and on the Executive Board for Apple Valley Teacher's Association.

**S**AFETY. It has been noticed that children are playing in streets under-supervised.

Parents, please keep a careful eye on your children, especially when they are riding their bikes or other toys in the street. Small children are extremely hard to see

when they come out from behind vehicles and other obstacles.

**T**RASH CANS. Please place trash containers in your back yard out of sight from the street.

**Y**ARDS. Spring is here and it's time to get our yards in shape. Please do whatever it takes to make your yard presentable. Clean weeds out of flower beds and reseed your yard as needed—Bare dirt is not acceptable landscaping. Keep lawn and bushes neatly groomed.

For drought-tolerant plants, trees, shrubs, flowers, and for landscaping ideas, see the Victor Valley Water District website at <http://www.vvwater.org/> and click on "Conservation" and then on "Water Smart Landscaping" or "Plant List" or "Guide to High Desert Landscaping."

**V**EHICLES. Commercial vehicles are prohibited from parking within the community. If you have been warned, the company who owns the vehicle may be contacted and legal action taken. Large vehicles may damage the pavement and/or cause shorter life-expectancy of the roadway. The owner of the property where a large, overweight vehicle is parked may be charged for damage to the pavement even though it is not detected at this time.

**T**AGGING. The incidents of tagging are increasing. Beyond criminal issues, parents will be held financially responsible for actions of vandalism caused by their children. Please speak to your children about this.

**P**AINTING. The CC&Rs provide for a specific range of house and trim colors. Going beyond these colors without architectural review and approval may result in the expense of repainting your home or a lawsuit. Please do not change the color without approval.

**R**EWARD REMINDER. The Board has a policy of offering a reward of up to \$250 for information leading to the arrest and conviction of any person who damages common area or private property within the Jasmine Street Homeowners Association. IMMEDIATELY report suspicious activity to the police.

**WE-TIP: 1-800-78-CRIME (1-800-782-7463)**

**A**SSOCIATION MEETINGS are held on the first Tuesday of every month at Moses House Ministries, 15180 Anacapa Road, Victorville (Near Target—1 block south of Palmdale Rd. and ½ block west of Amargosa).
